

## MassHealth ICD-10 Vendor Testing Status — 10/26/2015

In July 2014, MassHealth began testing ICD-10 transactions with billing intermediaries, software vendors, and clearinghouses. The following table lists the status of vendor testing as of October 26, 2015. MassHealth will update this list periodically throughout the implementation of ICD-10. Please refer to this list to confirm the status of your vendor's testing with MassHealth. If you have any questions on the status of your vendor's testing, please contact the MassHealth Customer Service Center at 1-800-841-2900.

#	Vendor Name	Transaction Type	Testing Status*	CL/BI, SV or Both
1.	AAA Billing And Reimbursement Services	837I,837P,COB	Testing Completed Successfully	CL/BI
2.	Able Assistant ( <i>Crystal Springs</i> )	270/271,276/277,837P	Not Started	CL/BI
3.	Advanced Data System Corporation	835,837P,COB	Completed Compliance Testing Only	SV

### Key

Testing Status	Description
Completed Compliance Testing Only	Vendor submitted a test file and the file passed HIPAA compliance; tester was working through issues identified during comprehensive testing (validation that all transactions were properly tested per MassHealth guidance) and did not pass comprehensive testing.
Testing Completed Successfully	Vendor had submitted a HIPAA-compliant test file and successfully completed compliance and comprehensive testing. The transaction passed MassHealth trading partner testing.
Not Started	Testing for that transaction has not begun with that vendor.
CL/BI, SV, or Both	Clearinghouse/Billing Intermediary, Software Vendor, or Both.
